بسم الله الرحمن الرحيم

Alhamdulillah the One, the All Compelling Subduer, the Self Sufficient, the Powerful, who give pride to the righteous believer, and who humiliate the evil Kuffar, and peace and blessings of Allah Mohammed the selected and chosen one, Imam of the righteous chosen ones, the best who walked on earth, and on his pure family and companions, the priests of the night and knights of the day. Thus:

The Almighty says in Surah An-Nisa: (*Fight then in Allah's way; this is not imposed on you except In relation to yourself, and rouse the believers to ardor maybe Allah will restrain the fighting of those who disbelieve and Allah is strongest in prowess and strongest to give an exemplary punishment*) 84 Surah An-Nisa.

And he also says: (*And what reason have you that you should not fight in the way of Allah and of the weak among the men and the women and the children, (of) those who say: Our Lord! cause us to go forth from this town, whose people are oppressors, and give us from Thee a guardian and give us from Thee a helper -75- Those who believe fight in the way of Allah, and those who disbelieve fight in the way of the Shaitan. Fight therefore against the friends of the Shaitan; surely the strategy of the Shaitan is weak -76-*) Surah An-Nisa.

And in the two Sahihs from An-Numan ibn Bashir may Allah be pleased with him that the prophet peace and blessings of Allah be upon him said: "The similitude of believers in regard to mutual love, affection, fellow-feeling is that of one body; when any limb of it aches, the whole body aches, because of sleeplessness and fever".

In the beginning we congratulate our Ummah by the month of victories, the month of Ramadan, and we ask Allah Almighty to make for the Muslims in this month a relief from every distress and worries, and victory over every oppressor and tyrant, and Allah is worthy of this, and He alone is able to bring this to pass.

Ummah of Islam, know that killing the Muslims who live amidst a sea of Buddhists and Hindu in Burma, is a matter that we should not be silent about it, especially that it is with a villain Buddhist governmental support, since the Buddhists declared their war against the people of Tawhid just because they are Moslems. The Almighty says: (*And they did not take vengeance on them for aught except that they believed in Allah, the Mighty, the Praised*) 8 Surah Al-Burooj.

The silence of the Ummah of Tawhid regarding the killing of its sons is a disgrace that isn't erased except by striking of the swords and stabbing of the spears which heals the hearts of the believers, those villain pagans are conducting a war of genocide against the Muslims to preserve their race as their murderous priests in their booklet called "Myo Pyauk Hmar Soe Kyauk Sa Yar" – which means The Fear of Losing One's Race – claim, they are killing the Muslims in the most brutal way according to religious advisories of those criminal priests, who think that they live in 1930 when they killed the Muslims and no one deterred them, since they for over 300 years are persecuting the people of Tawhid in Burma, at intermittent

intervals, but they went too far in killing during the fall of the Islamic Khilafah and especially in 1930, and we don't want to recite all their criminal history but we warn that time has changed, in that time the Khilafah fell and in this time it is returning once again, therefore O' worshipers of stones, if you spilled the blood of the Muslims in your land, then we swear by Allah that we will spill your blood in our lands, and we will be determined to purge the Muslim lands from you from Jakarta to Tangier, so O' people of Tawhid all over the world, rise up to support your Muslim brothers in Burma, their blood is our blood and their destruction is our destruction, the jihad against the Buddhists and Hindus has become obligatory, declare it as they have declared it, since your silence today about the massacres of the Muslims in Burma means that the Buddhists and Hindus the people of the idols will kill your Muslim brothers in Thailand, Philippines, India and China as soon as they finish from the killing in Burma, therefore we call the Moslems to seek to defend the people of Tawhid in that land and arm them, and we call the Moslems of Burma to carry arms and fight the idol worshipers to defend their religion and honorable history in that land, since dying with pride in jihad is better than dying as a terrified bystander, the mask of the world has fallen today, and their claim of human rights is nonsense.

Poetry

***** If time revealed the mask to you and your hardships increase ****

****Don't fear death but meet it and resist it as much as you can****

****Don't chose a bed of silk and cry for the homes and lands****

****While around you are women mourning and tearing the veils****

****The doctor says to you I have your cure after he checks your pulse****

****But if the doctor know a cure for an illness that repels death he wouldn't have suffered (throes of death)****

****On the battle of Al-Masanee we left by our actions wide spread news****

****We held at Al-Zawabil a market of war and made the souls its merchandise****

We swear by Allah that we won't and will forgot you and will not remain silent about the spilling of your blood, and based on this principle we in Fatah Al-Islam Organization call the people of Tawhid to kill every Buddhist and Hindu, in any way or in any place, and we give Fatwa for the legitimacy of killing by burning them to death, because you reap what you sow, and the assault is repelled in the same way. O' our people in Pakistan, Khorasan and Bangladesh, you are the most near people of Tawhid to your brothers in Burma, extend to them the hand of support, since their enemy and your enemy is one, and your support to the people of Burma is repelling the killing of all of the people of Tawhid in that land, and know that if you didn't support your brothers in Burma, then you won't find who support you if the killing reaches you, as have been narrated by Ahmed and Abu Daud from the narration of Yahiya bin Salim from Ismail bin Bashir, from Jabir bin Abdullah and Abu Talha bin Suhail

Al-Ansari traceable to the messenger of Allah peace and blessings of Allah be upon him that he said: "If a Muslim is being insulted and degraded and his honor besmirched somewhere and another Muslim leaves him helpless, Allah would leave the latter helpless on occasions when he would need help. And if any Muslim helps him in when he is insulted and degraded, Allah shall help him when he would need help".

So rise up to repel who killed the Muslims freely, since they are fighting for the sake of Buddha, and you are fighting for the sake of Allah, and Allah is the guardian of those who believe.

We conclude with a message to the worshipers of Buddha, know that we are fed up of you, and we can no longer be patient, and we swear by Allah that we will seek with the people of Tawhid to come to you with soldiers you cannot resist, who mount death to make you taste a violent death, so be prepare to receive the martyrdom seekers brigades who will tear your bodies and send you to hell Insha'Allah, and nothing will prevent us from killing you and supporting our brothers in Burma except death, and we swear by Allah that we will establish our Khilafah without neglecting killing you Insha'Allah.

Poetry

***** He built it high when spears were striking spears and death were choppy waves around him****

****And I have been patient like no other and now I will break into them like no other****

And our saying will be what you see and not hear. And there is no peace or mercy for you worshipers of the rocks.

Last but not least, we in Al-Khilafah Brigades, the military wing of Fatah Al-Islam Organization, give glad tidings to our dear Ummah that the Nusayri Baathist regime in the Sham of Islam, is at a distance of two bows' length or even nearer of falling and going to the dustbin of history, and that we are fighting with our brothers the soldiers of Tawhid in Syria and our hearts are craving to support the Muslims in Burma Insha'Allah, O' Allah give victory to your slaves everywhere, O' Allah support them and don't be against them, O' Allah be there for the oppressed Muslims as an aid, supporter, protector and ally, for you are best ally and the best protector, O' Allah defeat the people polytheism and atheism because you are capable of that, for only you are worthy of this, and you alone are able to bring this to pass, Wa Akhir Dawana An Alhamdulillah Rabb Al-Alamin.
